

BOXSM
OPTIONS EXCHANGE

Informational Circular

IC-2013-024

TO: BOX Options Participants
FROM: BOX Market Operations Center
SUBJECT: Enhanced Complex Order Exposure Functionality Launch
DATE: September 18, 2013

The SEC has approved¹ BOX Options Exchange's enhancement to the exposure process for incoming Complex Orders. Starting **September 23, 2013**, Participants will have the ability to expose their Complex Orders to the BOX Market in order to solicit liquidity before being booked or canceled.

Please refer to [IC-2013-023](#) for more information on the Complex Order Exposure Functionality.

Contact

Please contact the Market Operations Center at (866) 768-8845 or by e-mail at BOXMOC@boxexchange.com should you require additional information.

¹ See [SEC Release No. 34-70395](#) (September 16, 2013) (Order Approving SR-BOX-2013-38).
