

Adjusted Diana Shipping Inc. - Further Adjustment * * * Update * * *
DESCRIPTION:

Adjusted Diana Shipping Inc. options (adjusted option symbol DSX1) were adjusted on November 30, 2021 (See OCC Information Memo #49647). The new deliverable became 1) 100 Diana Shipping Inc. (DSX) Common Shares and 2) 10 OceanPal Inc. (OP) Common Shares.

Diana Shipping Inc. (DSX) has announced a distribution of 7.0% Series D Cumulative Convertible Perpetual Preferred Shares of OceanPal Inc. ("Preferred Shares") to DSX shareholders. The distribution rate is to be determined. Because there is not currently a market for the Preferred Shares nor is there the expectation that one will develop, the Series D Preferred Shares will automatically be converted into OceanPal Inc. Common Shares on or about the payable date, and then be distributed to DSX shareholders. The default of this distribution will, therefore, be the OP Common Shares, though DSX shareholders may elect to opt out of the conversion to OP Common Shares.

The distribution and conversion rates have yet to be determined. The record date is November 28, 2022; the payable date is December 15, 2022. The NYSE has set November 25, 2022, as the ex-distribution date for this distribution.

Delayed Settlement

OCC will delay settlement of DSX, OP, and cash components, if any, of the DSX1 deliverable until the final deliverable is determined. Upon determination of the final deliverable, OCC will require Put exercisers and Call assignees to deliver the appropriate number of DSX shares, OP shares and cash amount, if any.

Adjusted DSX1 options will be further adjusted to reflect the distribution as described below:
