

Job Description

Position Title: Executive Administrator **Date:** February 2021
Reports to: CEO & Director of Corporate Governance **Status:** Full-time, exempt

Position Summary:

Under the general supervision of the CEO and the Director of Corporate Governance, the Executive Administrator will be responsible for providing administrative support by performing the duties outlined below:

Position Duties:

- Provide administrative support to BOX Exchange, its related companies, and the team members of the Boston office
- Assist with the arrangement of travel, accommodations, meeting scheduling, and submission of expense reports as needed
- Order and maintain office and pantry supplies, business cards, and company stationary
- Manage all administrative and facilities management aspects of the office and coordinate with the Chicago office staff to address any office management needs
- Handle maintenance and troubleshooting of office equipment (fax, printers, copiers, scanners, phones, computers, etc.), including coordination with IT and its vendors as necessary
- Act as liaison for building management and security (access badges)
- Serve as the receptionist for BSTX
- Manage FedEx account and handle processing of incoming and outgoing mail and shipments
- Draft reports, prepare presentations, and edit documents
- Gather and compile requested information, perform research as assigned
- Assist with website management and other marketing matters
- Manage event planning for both internal and external special events
- Perform other special projects and duties as assigned

Education:

Bachelor's degree preferred.

Experience:

One to three years of comparable experience in a professional office environment providing administrative support.

Job Knowledge and Skills:

The ideal candidate will possess a high level of accuracy and attention to detail as well as above average organizational and analytical skills. In addition, the ability to work independently and efficiently under pressure in a fast-paced environment and to meet strict deadlines is essential. Extensive experience with Microsoft Office Suite and the ability to efficiently conduct internet research are required. The ideal candidate will take the initiative in identifying and anticipating needs, enjoy interacting with different team members, and be able to plan and prioritize projects.

Communication Skills:

Exceptional oral and written communication skills are essential. The ability to handle different projects in a timely manner and keep the project owners updated and well informed are required.
