

## **Notice to SRO Members ISG CMRWG 2020-01**

To: All SRO Members and Member Organizations

From: Cross Market Regulation Working Group (“CMRWG”) of the Intermarket Surveillance Group (“ISG”)

Date: April 8, 2020

Subject: Establishment of the CMRWG

---

The ISG is an international group of exchanges, market centers, and market regulators that perform front-line market surveillance in their respective jurisdictions. The group was formed to facilitate the coordination and development of programs and procedures to identify possible fraudulent and manipulative activities across markets and to facilitate information sharing related to those efforts.

Recently, the CMRWG was established as a voluntary working group of the ISG’s U.S. Subgroup to focus on ways to reduce unnecessary regulatory duplication. The CMRWG’s participants include certain U.S.-based self-regulatory organizations.<sup>1</sup> The CMRWG serves as a non-exclusive forum for the participants’ regulatory employees to share information and collaborate in connection with their ongoing surveillance, investigation and enforcement efforts. By doing so, the participants seek to reduce unnecessary duplication in those regulatory efforts consistent with their obligations to oversee the U.S. securities markets.

Despite the participants’ efforts to avoid such unnecessary duplication, it is possible that an individual or firm may receive similar or overlapping requests for information from regulatory employees of more than one participant. If an individual or firm believes that those requests may
